Title: View of base after first snowfall, 9 March 1935

Description: plastic negative

Collection: British Graham Land Expedition 1934-37

Summary text: Wooden hut stands on a uneven ground by a creek. Boxes and bags are stacked nearby, sled dogs lie on the ground and an aerial stands in front of the hut. Ice cliff behind and mountains in the background. Everything is covered by a dusting of snow.

Date: 1935

Keywords: huts

Location: Antarctic Peninsula

Photographer: Fleming, William Launcelot Scott
